### ◆ Suite dreams ARMAGGAN BOSPORUS SUITES

The recent launch of this 18-suite waterfront mansion has brought a new level of luxury to Istanbul's vibrant hotel scene. Set in three reconstructed 19th-century yalis (waterfront mansions) hugging the European shore of the Bosphorus, it's a feast of opulent Ottoman design, from hand-painted furniture to antique furniture and beautiful Turkish rugs. You can strike out on the water too, courtesy of your own teak launch. Look out for the brand's beautiful jewellery while you're there, sold exclusively through the hotel.

Dubbed the Mowbray Collection, it comprises iPad cases, wallets, document folders and small leather goods, with the whole collection offered in two classic hues – Cognac and Black – and all designed by Monica Larkin, who has created products for Burberry, Claridge's and Mulberry.
